

Titre et date / Title and date: Return to war – Århus 03/09/2000

Extrait de / Extract from: English texts (2001 - 2004)

When the soldiers went to the wars,
Anguish engraved in their sunken eyes,
There were brutal shooting stars,
Striking over the sky of their rage.

Their arrogance was high, their despair tangible.
Their yearning created from the dust and the spit.

Created in anguish as a vise on their limbs,
as on the horizon wither those phantom clouds.
